Thank you for this hearing. My wife and our two sons and their wives have all lost their jobs due to refusing to take the experimental jab. As a family of 6 we have no funds left to take care of ourselves financially. Let justice be served to these perpetrators. Thank you. Carlo and Dorothee Gevers, Richard and Kara Gevers, Marco Gevers and his wife.

The more viewed this video becomes, the more the commentary underneath will become vile and pernicious. Bear that in mind as you read along as this is just a measure of the truth that is spoken.

So here comes the "GRAND JURY" versus the "GREAT RESET"... and we all hope (from the bottom of our hearts) that the first named defeats the second, hands down !
These globalist criminals must be tried and duly punished.

Dynamite and much more to come. Bring them all to justice hopefully in a jurisdiction where the death penalty remains.

We can not fail, these charges against those who have given us the greatest crimes against humanity the world has ever known must be held accountable, if we fail then God help us, there will be atrocities that we can only imagine.
